**Mr. Vyas Prakshep N
Meghmani Dyes**

Mobile: +91 – 9099939293

Email: prakshep.vyas@meghmani.com

Website: www.meghmani.com

Business Profile: We were founded in 1986 as a partnership firm, under the name M/s Gujarat Industries, to manufacture Pigments by our Executive Chairman Mr Jayanti Patel, together with our Managing Directors, Mr Ashish Soparkar and Mr Natwarlal Patel, as well as two of our Executive Directors Mr Ramesh Patel and Mr Anand I Patel (collectively the “Founders”). On 2 January 1995, Meghmani Organics Limited, was incorporated as a joint stock company with limited liability and acquired the business and all existing assets and liabilities of the partnership firm M/s Gujarat Industries and the Founders became shareholders of the Company. We are into the manufacture of Pigments and Agrochemicals in India and have a focus on delivering quality products backed by Research and Development efforts. Within Pigments, we specialize in green and blue pigments, which have varied end use applications in printing inks, paints and coatings and plastics. We have three Pigment manufacturing facilities at Vatva, Panoli and Dahej SEZ in the state of Gujarat. A majority of our Pigments are exported and about 75% of our pigment revenues come from exports. We are a leading agro-chemical manufacturing Company with significant presence worldwide. Our strong customer base includes prominent MNC’s and extends to more than 75 countries globally. We manufacture three broad categories of Agrochemical products, namely, pesticide intermediates, technical and formulations. Our agrochemical products find primary application in Crop Protection, Veterinary, Public Health and Wood Protection. We have 6 multifunctional ISO certified production facilities with a wide range of products and backward integration of key raw materials, located in Gujarat, India’s prime Chemical belt and having proximity to key ports. Our R&D Centre managed by a team of professionals is recognized by the Ministry of Science and Technology. It helps us in continuous process improvement and into introduction of a newer range of pesticides to meet needs of Global customers. Our In house fully equipped GLP lab takes care of all data requirements for mandatory registrations of our product in each country. Safety is the integral part of all our processes and an utmost care is taken by an efficient team of professionals in all the plants.

Mr. Aamer Valiulla
Partner
Abdullahai Abdul Kader

Mobile: +91 – 9819850756

Email: marketing@aakexports.com

Business Profile: The Foundation of Abdullahai Abdul kader Group (AAK Group) was laid in the year 1869. Today we are one of the leading procurers, processors, manufacturers, developers, exporters and importers of agro based products like natural gums, oils, vegetable seeds, guar gum seeds, guar gum powder, cereals, spices, dry fruits and fruit pulps. We are a Government Recognized Export House that

imports and exports the most important Indian medicinal herbs, herbal extracts, natural food colors, synthetic food colors, chemicals and various other products. We initially started our business as “Merchant Exporters” and have constantly poured in our hard work, inspiration, loyalty and faith for its development. We have learned a lot from our valuable suppliers and buyers with whose co-ordination and co-operation we have been able to make a good deal in import and export of wide range of products. Since its inception, the “AAK Group” has been constantly been improvising its methods and technologies for producing and marketing the best quality products as a result of which it was honored by number of associations, achievements and awards. Since the development of our country after 1950, many small scale industries were established, which provoked us to explore many different lines of business and simultaneously got opportunities to promote sales of our goods in different parts of the world. This led us to develop ourselves in the fields of Cosmetics, Ceramics, Dyes, Pharmaceuticals, Textiles & Handicraft industries.
